

Privacy Notice

At JS Autocast Foundry India Pvt Ltd., we are committed to protecting your privacy and safeguarding your personal information.

This Privacy Notice explains how we collect, use, disclose, and protect your information in your interactions with our website and services. By using our website and services, you consent to the practices described in this Privacy Notice.

We may collect and process the following types of personal information:

Contact - This includes your name, email address, phone number, and postal address, which we collect when you communicate with us or use our services.

Usage - We may also collect information about how you interact with our website and services, such as IP addresses, device information, browser type, and pages visited. This data helps us improve our services and personalize your user experience.

We use your personal information for the following purposes:

At JS Autocast Foundry India Pvt Ltd., we use your information to process your enquiry as per your request. We may analyse usage data to enhance our website and services, tailor content to your preferences, and develop new features. We may process your data to comply with legal obligations and respond to lawful requests from government authorities.

Data Security

We are committed to protecting your personal information. We employ industry-standard security measures to safeguard your data against unauthorized access, disclosure, alteration, and destruction. However, please be aware that no method of data transmission over the Internet is entirely secure, and we cannot guarantee the absolute security of your information.

The JS Autocast Foundry India Pvt Ltd. website uses Google reCAPTCHA to protect against automated spam and abuse

Google reCAPTCHA may collect certain information from you, such as your IP address, user agent, and browsing behaviour, to determine whether you are a human user or a bot.

By using our website, you acknowledge and consent to the processing of this information by Google under their privacy policy and terms of service. For more information on Google's privacy practices, please visit Google's Privacy Policy and Terms of Service.

Please note that the use of Google reCAPTCHA is subject to Google's terms and policies, and we have no control over the data collected by Google through this service. If you have any concerns about the data collected by Google reCAPTCHA, we recommend reviewing Google's privacy policies, or please contact us for direct assistance.

Sharing Your Information

We do not sell your personal information to any third parties. Your information is confidential and is always safe with us.

Grievance / Complaints

If you have any questions, concerns, or requests related to your personal information, do contact us at raghavan.r@jsautocast.com
